

SPIRIT de CROUZ

Shagya Stallion

Born 17/04/2006, grey, 1.61m, **available for stud in AI with frozen semen.**

Considering Spirit high potential in sport, Spirit was castrated after his semen was collected (spring 2013), with the goal of reaching the Endurance World's Elite. His frozen semen is of exceptional quality, and can satisfy many mares in France and abroad.

FATHER: SHOGUN

With more than 160 births to date and father of 7 stallions, Shogun is the main sire of the Shagya breed worldwide. His stature, model and strong points along with the achievements of his products make of SHOGUN the living legend of the Shagya in France.

MOTHER: KALYPSO de CROUZ, excellent broodmare, mother of

Odysee de Crouz, index 158, exported to the UAE.
Palatine de Crouz, index 130, Haras de la Crouzière.
